SKY DECK

PARTY DECK

CAPTAIN'S LOUNGE

Dandean is the flagship yacht of the FantaSea Fleet and is a sleek, contemporary custom-built tri-level mega yacht.

Dandean has European-design accents and is 110 feet long with a width of 24 feet. The luxurious main salon has dark wood modern design accents, mocha sofas, a wall-mounted plasma screen and a baby grand piano welcoming your guests in style. The second floor bar and party deck are equipped with large sliding glass windows for spectacular views and intimate dining and dancing under a sparkling crystal chandelier. Level three, the open Sky Deck, offers the best views of the marina and is perfect for catching every minute of your event on the tranquil waters of Marina del Rey. In addition, she has a full walk around deck to enjoy the sights as you cruise.
